To the Minister Responsible for the Saskatchewan Transportation Company: (1) The Minister responsible has been quoted in the media saying: “STC only drives by or only serves 253 communities and there are well over 500 communities in this province. So, that means there is well over 250 other communities that don’t have STC service and those people still make it to their appointments in Regina or Saskatoon.” What are the 250 communities which are not served by STC? (2) What is the population of each community not served?
