## QUESTIONS AND ANSWERS

**The following responses to written questions were tabled by the government:**

**Question no. 437 (Ms. Rancourt):**

To the Minister of Justice: (1) Did the government engage in an open tendering process before negotiating a new contract for the provision of inmate telephone service with Telmate? (2) If so, how many companies presented a proposal or bid? (3) What analysis was done to determine that negotiating a new contract with Telmate would provide the best value?

Answer:

- (1) The government's agreement for inmate telephone service is with Synergy Inmate Phone Solutions, Inc. "Synergy". Telmate is the owner of the technology, supplied to Synergy. A formal request for proposal (RFP) process was conducted resulting in the selection of Synergy as the successful supplier in the initial RFP. In order to ensure continued inmate telephone service at competitive rates the government exercised its rights to continue services under the agreement.
- (2) N/A
- (3) The government has continued to review the rates charged for inmate telephone services across Canada and specifically for comparative purposes with that offered to inmates in Alberta, Prince Edward Island, Nova Scotia, New Brunswick, and Manitoba. The government continues to analyze competitor inmate telephone solutions.

**Question no. 438 (Mr. McCall):**

To the Minister of Parks, Culture and Sport: (1) Was there a production or productions from Minds Eye Entertainment filmed entirely in British Columbia that received Creative Saskatchewan funding in 2016? (2) If so, what were the amounts provided? (3) If so, what were the sources of the funding provided? (4) Was there an eligible production or productions to be filmed in Saskatchewan that was subsequently denied Creative Saskatchewan support because the available fund was depleted after Creative Saskatchewan provided support to the productions involved in the first question? (5) Will the provincial government and Creative Saskatchewan change the funding guidelines to ensure that films which are to be made in Saskatchewan receive priority over co-productions with other jurisdictions?

Answer:

- (1) Yes. Creative Saskatchewan provided funding for three productions connected to Minds Eye Entertainment that were filmed in BC. However, the value of the funding provided was based on 30 per cent of money spent in Saskatchewan or paid to Saskatchewan residents who worked on the project.
- (2) First production: \$350,269.00; second production: \$400,247.00; third production: \$396,365.00
- (3) Funding was provided through the screen-based media production grant offered by Creative Saskatchewan.
- (4) No. All applications received by Creative Saskatchewan were funded.
- (5) Funding guidelines are currently under review.
