### SEVENTY-FIVE MINUTE DEBATE

The order of the day being called for the following motion for a seventy-five minute debate, it was moved by Ms. Sproule:

That this Assembly acknowledges the importance and need for further transparency and accountability on the Global Transportation Hub considering that very serious mistakes were made that should have never happened, that the people of Saskatchewan are owed answers to questions around the Global Transportation Hub, that questions remain about issues and individuals surrounding the GTH that have been amplified by recent revelations; and further that it's unacceptable to the people of Saskatchewan that after all this time there are still more questions than answers when it comes to the GTH.

A debate arising and the period of seventy-five minutes having expired, pursuant to rule 25(5) the Deputy Speaker interrupted proceedings.

**PRIVATE MEMBERS' MOTIONS**
