**STATEMENT BY THE SPEAKER  
(Unparliamentary Language)**

Yesterday, November 13, 2018, the Opposition House Leader (Ms. Sarauer) raised a point of order asserting that during Question Period, while the Leader of the Opposition (Mr. Meili) was asking a question, the Member from Meadow Lake (Hon. Mr. Harrison) had yelled across the floor “you’re making it up.” In response to the point of order, the Government House Leader (Hon. Mr. Brkich) stated he had not heard the remark and asked that I review the record. I did not hear the remark attributed to the Member from Meadow Lake nor do I hear many of the multitude of comments hurled across the floor in this Chamber on a regular basis. I have listened to the audio-video record but the comments could not be heard. Accordingly, it is impossible for me to rule on this matter. For this reason, I find the point of order unsubstantiated.

Members are well aware that the phrase “making it up” is considered unparliamentary in this Legislative Assembly. Numerous Speakers, including myself, have ruled that this language is not to be used in debate or banter across the floor. There was a point of order on this subject not many days ago, when a member withdrew the remark and apologized. I would expect that any member that uses unparliamentary language would act honourably by withdrawing the remark and apologizing to the Assembly.
