[The committee met at 09:00.]

The Chair: — Being the hour of 9 o'clock now, I just say welcome to our members. We have Cathy Sproule here this morning, Steven Bonk, Everett Hindley, Lisa Lambert, and Nancy Heppner, and myself in the Chair.

This morning I would like to table the following documents: CCA 62-28, Crown Investments Corporation of Saskatchewan: Responses to questions raised at the June 27th, 2018 meeting; CCA 63-28, Crown Investments Corporation of Saskatchewan: 2017-18 Payee disclosure report; CCA 64-28, SaskEnergy: Responses to questions raised at the June 20th, 2018 meeting; and CCA 65-28, Crown Investments Corporation of Saskatchewan: Report of public losses July 1st, 2018 to September 30th, 2018.

The business before the committee this morning is a draft of the sixth report of the Standing Committee on Crown and Central Agencies. The sixth report summarizes our committee's work, including the consideration of the Boundary dam carbon capture project; recommendations for the audit committee of Saskatchewan; our review of over 100 reports and financial statements released by Crown corporations or related entities; and our review of chapters of nine Provincial Auditor reports. This work was completed from January 6th, 2016 to September the 10th, 2018. And I would like to thank very much our current and our past committee members for their diligent work.

Committee members, do we need to move into camera to discuss the draft report? Seeing no questions, I would ask a member to move the following motion:

That the sixth report of the Standing Committee on Crown and Central Agencies be adopted and presented to the Assembly.

Moved by Mr. Bonk. It has been moved by Mr. Bonk:

That the sixth report of the Standing Committee on Crown and Central Agencies be adopted and presented to the Assembly.

Is that agreed?

Some Hon. Members: — Agreed.

The Chair: — Carried. That completes our business this morning. I would ask a member to move a motion of adjournment. It was moved by Ms. Lambert that this committee do now adjourn. Is that agreed?

Some Hon. Members: — Agreed.

The Chair: — This committee stands adjourned to the call of the Chair. I'm sorry to keep you all for so long this morning.

[The committee adjourned at 09:02.]
