2019-20

Report of Payments for the Twelve-Month Period
Ended March 31, 2020

**Crown Investments Corporation of

and
Crown Subsidiaries**

Introduction to the 2019-20 Payee Disclosure Report

The 2019-20 Payee Disclosure Report is prepared in accordance with The Standing Committee on Crown and Central Agencies' Payee Disclosure Categories and Limits, based on the Fifth Report of the Standing Committee on Crown Corporations dated June 18, 2003 and Committee Minute No. 23, September 29, 2005.

The report discloses only amounts paid during the fiscal year. Amounts earned or owing for the year but paid in a different fiscal year are not included (for example, contracts and services from suppliers where work has begun in the current fiscal year but is paid for in the following fiscal year, or salary holdbacks and certain benefits that are earned in one fiscal year but paid to the employee in the next). **Due to this timing issue, and the variety of payments included in the report, caution should be exercised when making year-over-year comparisons.**

Payee Disclosure Limits and Categories

CIC Crown corporations and related agencies that are called to appear before the Standing Committee on Crown and Central Agencies are required to publicly disclose payee information to the Standing Committee as outlined below.

Grants, Contributions, Donations and Sponsorships

A list of all grants, contributions, donations, and sponsorships with a minimum threshold of \$5,000.

Supplier and Other Payments

A list of payments for goods and services with a minimum threshold of \$50,000, except those items and categories where:

- 1) there is a legitimate need to protect commercially sensitive information;
- 2) disclosure could reasonably be expected to prejudice the competitive position of or interfere with the contractual obligations of the Crown corporation or a third party; and,
- 3) disclosure is prohibited by law, including the provisions of the *Freedom of Information and Privacy Act*.
