Subject: [Suspected Spam] Privatization of LB Stores
Date: Wednesday, June 08, 2016 5:53:59 PM
Importance: Low

Dew sir/madam,

Please STOP this thought. The people of Saskatchewan need the profits from LB Stores to continue yo go into the provincial coffers. These are good stores to have in rural communities especially they pay a living wage and provide benefits to the employees. It been proven in other provinces that this notion of privatizing LB stores is a BAD idea...

Please keep these services public!!

Respectfully,

Karla Sastaunik
