Dear Mr. Wotherspoon:

At our October 10, 2018, appearance before the Standing Committee on Public Accounts, the Ministry of Government Relations was asked for additional information on the 2016-17 and 2017-18 amount of taxation on the Education Property Tax.

The amount of taxation on the Education Property Tax was \$680M for 2016-17 and \$747M for 2017-18.

I hope this satisfies your request for information.

Sincerely,
