### **MOTION REGARDING SUPPORT OF THE GOVERNMENT OF SASKATCHEWAN'S PATIENTS FIRST HEALTHCARE PLAN**

Moved by the Hon. Jeremy Cockrill:

That this House endorses and supports the Government of Saskatchewan's Patients First Healthcare Plan, including the more than 50 action items to put patients first, which include:

- expands scope of practice for health care professionals;
- expands virtual care to connect as many people as possible with a primary care provider;
- uses privately delivered, publicly funded surgeries to achieve 450,000 surgeries over four years; and
- increases nurse practitioner training capacity by 45 per cent.

A debate arising, it was moved by Meara Conway:

That all the words after "House" be omitted and that the following be inserted:

does not support the health care policies of the government because they fail to deliver timely access to care, provide transparency on emergency room closures, ensure fair wages for health care workers, or prioritize public health care over private profits.
