Ms. Colleen Young, Chair  
Crown and Central Agencies Committee  
Office of the Clerk, Legislative Building  
Room 7, 2405 Legislative Drive  
REGINA, SK S4S 0B3

Dear Ms. Young:

One of the Government's commitments to the people of Saskatchewan is to ensure that all appointments to Crown corporation boards are reviewed by the Crown and Central Agencies Committee (the Committee).

Since the last report to the Committee in November 2017, Cabinet has approved two Orders in Council (OCs) affecting the composition of CIC subsidiary Crown corporation boards. The OCs appointed new board members to fill skill gaps or vacancies on the boards.

The attachment lists the Crown corporation boards affected and identifies that the directors are new to the board. As well, it provides information regarding the director's location, position on the board, the OC appointing him to the board and the date that the director's term of appointment will expire.
