Mr. Herb Cox  
Chair  
Standing Committee on Crown and Central Agencies

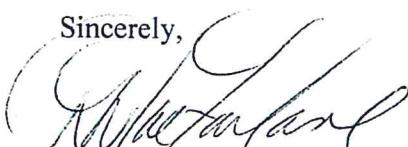

Dear Mr. Cox:

At SaskTel's appearance before the Standing Committee on June 20, 2018, I answered questions with regards to Netflix and maxTV. In my response I indicated that Netflix was included in the maxTV subscription fee. I have to clarify this comment with the Committee, as the SaskTel Marketing Department has informed me that it is not.

Accessing Netflix through maxTV is an ease of access feature for customers; however, customers still do need to subscribe to Netflix as well.

My apologies for the inaccurate statement.

Sincerely,

  
Darcee MacFarlane
