**Losses Reported by
CIC and its Subsidiary Crown Corporations
during the period
October 1, 2025 – December 31, 2025**

Date of Occurrence	Entity	Description	Amount	Action Taken	Corrective Measures
February 2024 - Summer 2025 (First reported during Q3 2025-26)	SaskEnergy	Internal fuel theft primarily in the Construction department.	To be determined	Thirteen individuals were identified as part of SaskEnergy’s initial investigation, and their employment was terminated by way of an indefinite suspension. The matter has been reported to police, and the company has also hired an independent investigator. SaskEnergy’s internal audit department has been engaged and is conducting its review. The company’s external auditor has also been informed. A comprehensive report detailing the loss is targeted for completion in February 2026. SaskEnergy intends to recover the value of the fuel taken.	An initial internal control and security assessment has been performed, and any additional corrective measures and/or controls recommended at the completion of the investigation will be implemented.
