Re: Tabling of Data in Response to 2024 Supplemental Estimates

I have attached data relating to the Saskatchewan Coroner's Service and Corrections, Policing and Public Safety Custody Division employees as requested during the December 9th, 2024, committee meeting related to Ministries of Justice and Attorney General and Corrections, Policing and Public Safety supplementary estimates.

Sincerely,

Tim McLeod
Minister of Justice and Attorney General

Attachment

DATA IN RESPONSE TO DECEMBER 9, 2024, SUPPLEMENTAL ESTIMATES

Request 1:

Tabling of average sick time usage per employee within the Ministry of Corrections, Policing and Public Safety Custody Division in relation to other Government of Saskatchewan Ministries.

Answer:

- a) The average sick leave per person within the Ministry's Custody Division is projected to be 15.59 days at the end of the fiscal year, compared to 10.07 days when averaged across all government ministry employees to whom the Public Service Commission's Out-of-Scope policies or Collective Bargaining Agreement apply.

Request 2:

Tabling of Saskatchewan Coroner's Service data.

Answer:

- a) See tables on Page 2.
