Dear Committee:

The Ministry of Energy and Resources attended the Public Accounts Committee (PAC) on February 25, 2025. There was one follow-up item and this letter is to inform you and the Committee of the response to that question.

What is the total amount owing to the Crown for currently licensed operators?

Currently, the total amount of debt owing is \$10,527,814.

Thank you for the opportunity to attend PAC and if there is any further follow up to this item, we will be happy to provide additional information.

Sincerely,

Blair Wagar
Deputy Minister
