

LEGISLATIVE ASSEMBLY OF SASKATCHEWAN
Fourth Session — Thirteenth Legislature
35th Day

Wednesday, March 30, 1960

The House met at 2:30 o'clock p.m.

WELCOME TO STUDENTS

Mrs. J.E. Cooper (Regina City): — Mr. Speaker, before the Orders of the Day, I wish to welcome a group of students from Regina. They are here with their teachers, Mrs. Bevlin and Mr. McNiel, and they come from a special interest Grade 7 class in Regina. I am sure we all welcome them here very much and hope they will enjoy their visit with us, and that they will profit by it.

Mr. A.T. Stone (Saskatoon City): — Mr. Speaker, I too would like to welcome a group of pupils from St. Paul's North School from Saskatoon, with their teachers Mr. Oliver and Mr. MacDonald. I am sure the members will join with me in saying how pleased we are to have them with us today, and hope that their trip will be an enjoyable one.

NEWSPAPER CORRECTION

Hon. J.T. Douglas (Minister of Highways): — Mr. Speaker, I beg to bring to your attention, this morning's 'Leader-Post' which stated:

“The Minister of Highways admitted that fees had been raised very materially since he took office.”

That should read the “weights” have been very materially raised; not “fees”. There is quite a difference.

The Assembly then adjourned at 5:30 o'clock p.m.
