

**LEGISLATIVE ASSEMBLY OF SASKATCHEWAN**  
**Second Session — Fifteenth Legislature**  
**34th Day**

**Friday, March 25, 1966.**

The Assembly met at 2:30 o'clock p.m.  
on the Orders of the Day.

**WELCOME TO STUDENTS**

**Mr. J. E. Brockelbank** (Saskatoon City): — Mr. Speaker, I would like to draw your attention and the attention of the Assembly to a fine group of students situated in the east gallery from Saskatoon city. They are from the Howard Cole School, and I believe they are accompanied by Mr. Huselak. I hope that we will have the opportunity here to ignite an appreciation for the democratic system and that they may carry that appreciation for the length of their lifetime. I wish them a pleasant journey home.

**Hon. Members:** — Hear, hear!

**Mr. I. A. MacDougall** (Souris-Estevan): — Mr. Speaker, before the Orders of the Day I would like to welcome a group of students located in the Speaker's gallery, from the Outram School. They are accompanied by their teacher, Mrs. Audrey Scobie. Now Outram is in the constituency of Souris-Estevan where a good deal of the money in the province is made, and I urge the government to spend more of it in that constituency. We welcome these students here today and hope they have a safe journey home.

**Hon. Members:** — Hear, hear!

**Mr. W. Smishek** (Regina East): — Mr. Speaker, seated in the Speaker's gallery are a group of grade eight students from the Haultain School. They are accompanied by their school principal, Mr. Thompson. I would like on your behalf and on behalf of the Assembly to extend a warm welcome to the students and to express the hope that their stay here this afternoon will be both informative and educational.

**Hon. Members:** — Hear, hear!

**Mr. F. K. Radloff** (Nipawin): — Mr. Speaker, and members of the legislature, I would like to bring to your attention a fine group of students from the Carrot River School. I might point out that this is one of the first groups of students to visit the legislature from Nipawin constituency, and from the Nipawin larger school unit. On behalf of all the members I would like to extend a welcome to these students. They are accompanied by their teacher, Mr. Wiems, and bus driver, Cornelius Enns, and they have been sponsored by the Carrot River Rotary Club and by the school. I think it is a very wonderful opportunity for these students to have the chance to come to Regina and become acquainted with the institution of the provincial government. I do, on behalf of all the members here, welcome these students and wish them a very safe and a pleasant journey home.

**Hon. Members:** — Hear, hear!

**March 25, 1966**

**Mr. H. H. P. Baker** (Regina East): — I want to also extend a very warm welcome to the students from the Haultain School in the Regina East constituency who are here, as was mentioned by the other hon. member from Regina East (Mr. Smishek). Mr. Thompson is their principal. Haultain School has a very significant name, and it is a very significant school district, and I also extend a very warm welcome to all the others here on behalf of the city. I hope they will also have a pleasant stay and gain much from the deliberations here today.

**Hon. Members:** — Hear, hear!

**Mr. H. A. Broten** (Watrous): — Mr. Speaker, I would like to bring to your attention a fine group of students from the Winston High School from Watrous. The Chamber of Commerce, and rightly so, says it is the potash geographical centre of Saskatchewan. If you just look at a map, you will find they are very close to being right on the nose. These students are accompanied by Mr. Adams, Mr. Berkstrom and Rev. Dueck. I am sure that you will join me in hoping they have a very educational afternoon and have a fine trip home.

**Hon. Members:** — Hear, hear!

**Mr. A. E. Blakeney** (Regina West): — Mr. Speaker, I want on your behalf and on behalf of all hon. members to extend a greeting to a group of students who are in the east gallery, a group of some 38 students from the Regent Park School in the northern part of Regina. They are grade five students who are here with their teacher, Mrs. Hill, and with two students of the College of Education who are engaged in practice teaching, Miss Knebusch and Miss Hallam. I know that all of us will want to extend a warm welcome to them, and to express the hope that they enjoy themselves and receive some benefit from our deliberations this afternoon.

**Hon. Members:** — Hear, hear!

On the motion of the hon. Mr. Steuart, the Assembly adjourned at 10:00 o'clock p.m.
