

**LEGISLATIVE ASSEMBLY OF SASKATCHEWAN**  
**Third Session — Sixteenth Legislature**  
**23rd Day**

**Wednesday, March 18, 1970.**

The Assembly met at 2:30 o'clock p.m.  
On the Orders of the Day.

**WELCOME TO AIR FORCE CADETS**

**Mr. Speaker:** — We have situated in the Speaker's gallery a group of Cadets from many areas and many schools in the Kelvington constituency; they are from no specific school so I therefore call upon the Member from Kelvington (Mr. Byers) to make the introduction.

**Mr. N.E. Byers** (Kelvington): — Mr. Speaker, before the Orders of the Day it gives me a good deal of pleasure to introduce to the Members of this House about 40 members from the Royal Canadian Air Cadet, Squadron No. 542 from Foam Lake. They are here today under the direction of Mr. William McKie, their captain and commanding officer; Mr. George Pickering from the Civilian Committee; and Constable Williams, who is also one of their instructors. It gives me particular pleasure to introduce the members and leaders of this cadet squadron to this House. I hasten to point out that it was this squadron which won the highest award in the Province of Saskatchewan in 1969 as the most proficient squadron with a rating of 95.4. In addition, this squadron won three first-place pennants, winning the first place for military efficiency; secondly, as the most proficient squadron, and they placed first in the precision drill. The members of this cadet squadron come from seven different hamlets, villages and towns in the Foam Lake area. Some of these members come as far as 32 miles weekly for cadet drill and I might point out that 56 of the 62 members have perfect attendance for this year. I hope that the Members will join with me in welcoming this squadron to this House. We hope that their stay will be beneficial and rewarding. We welcome them here today.

**Hon. Members:** — Hear, hear!

**ANNOUNCEMENT**

**SASKATCHEWAN JUNIOR HOCKEY LEAGUE CHAMPIONSHIP**

**Mr. J.A. Pepper** (Weyburn): — Mr. Speaker, before the Orders of the Day I would like to put on record and draw to the attention of all Members a very recent sports event. Last evening, March 17, proved to be a very happy occasion for the district of Weyburn. Their Junior Red Wing hockey team which was coached by Mr. Stan Dunn won the Saskatchewan Junior Hockey League Championship. This is the first time that the Weyburn Red Wings have won this award and they did so, Mr. Speaker, by eliminating teams from our major cities, Regina, Saskatoon and Moose Jaw. I am sure that all Members join me in congratulating the Weyburn Junior Red Wings as they now are worthy representatives of our province. We wish them every success in their endeavours as they proceed in the hopes that they will bring to Saskatchewan the Memorial Cup which is emblematic of the Canadian Junior Hockey League

Championship of Canada.

**Hon. Members:** — Hear, hear!

## QUESTION

### RE: EXPLANATORY NOTES OF BILLS

**Mr. W.S. Lloyd** (Leader of the Opposition): — Mr. Speaker, before the Orders of the Day may I direct again a question to the Attorney General (Mr. Heald). It has to do with the fact that a number of Bills are now on the Order Paper for which the explanatory notes have not been available. Since these notes are so valuable before second reading and since I am informed that a number of these notes are already piled up in the office just across the hall, would it not be possible to get these on the Member's desks.

**Hon. D.V. Heald** (Attorney General): — Yes, I've hoped that I've loosened the logjam somewhat. I think you got the notes yesterday — the Leader of the Opposition wasn't here — on the large Municipal Bill and I think you got some other notes yesterday. I will continue to see what can be done about it. It's the problem that I discussed with the Leader of the Opposition about the notes being released before second reading but once the approval of the Minister is obtained by the Legislative Counsel then there is no further problem.

The Assembly adjourned at 5:30 o'clock p.m.
