Ms. Bakken Lackey asked the Government Question No. 1303, which was answered by the Hon. Ms. Crofford:

To the Minister of Community Resources and Employment: (1) How many dollars will The Family Place in Weyburn receive for their Mini-Go School under the Early Learning and Care Initiative? (2) When will The Family Place receive the dollars allocated from the above program?

Answer:

- (1) On April 29th, 2005, Saskatchewan signed a bi-lateral Agreement in Principle with the Government of Canada on Early Learning and Child Care. At the time of the signing, the Premier indicated that the Early Learning and Child Care plan will be in place by December, 2005. We don't know all the details of the Plan yet. Although we will build on and strengthen existing school-based pre-kindergarten, child daycare and preschool programs, just how this will happen is yet to be determined. We have not made any funding commitments to individual community based programs at this time.
- (2) At this time, in light of the stage of development of the Early Learning and Child Care plan, we are not in a position to allocate early learning and child care funding for individual programs such as The Family Place Mini-Go School in Weyburn.

Mr. Merriman asked the Government Question No. 1304, which was answered by the Hon. Ms. Crofford:

To the Minister of Community Resources and Employment: What is the province's policy on inter-country adoption of children that are not sibling pairings?

Answer:

The department does not recommend two unrelated children being placed for adoption with one family at the same time. There is a consensus among provincial adoption Ministries that placing two unrelated children in the same family at the same time creates unnecessary risk. This position is a best practices approach with paramount consideration to the best interests of the child. Following the adoption placement of one child and the completion of the requirements of that adoption, a subsequent placement of another child can be considered, pending a positive assessment of the family's adjustment to adoption.
