STATEMENT BY THE SPEAKER

Yesterday the Government House Leader (Hon. Mr. Van Mulligen) raised a Point of Order regarding a statement made by the Member for Melville-Saltcoats (Mr. Bjornerud). The Government House Leader said: "the member imputed that the Premier personally benefited from tax increases by – in the member's words – by putting the money in his pocket." I have reviewed Hansard on this matter and find that the member for Melville-Saltcoats did indeed use the words: "He raised our taxes, put it in his pocket."

This statement alone can be interpreted several ways. On one hand the fact that it caused disruption in the Assembly indicates that several members felt the statement was offensive. On the other hand when the Government House Leader and the Opposition House Leader (Mr. Gantefer) spoke to the Point of Order, both House Leaders acknowledged that there was no attempt on the part of the Member for Melville-Saltcoats to imply wrong doing. It is also on record that the Member for Melville-Saltcoats later clarified his intent with the following statement: "... but I know the Premier had no personal gain."

When ruling in a case like this, the Speaker is obligated to take into account actual words said and the effect of the words used. I accept the statement of both House Leaders and the Member for Melville-Saltcoats that the words used were not meant to imply wrong doing on the part of the Premier. I also wish to emphasize that it is unparliamentary for any member to state that another member put money in his/her pocket. I refer Members to *Marleau and Montpetit* page 522: "Remarks directed specifically at another Member which question that Member's integrity, honesty or character are not in order." I therefore rule the line "put it in his pocket" is personally directed and therefore out of order and ask the Member from Melville-Saltcoats to withdraw that statement.

Thereupon, Mr. Bjornerud withdrew his remarks.

PRIVATE MEMBERS' MOTIONS

The Assembly resumed the adjourned debate on the proposed Motion No. 2 moved by Mr. Gantefer:

That, pursuant to Rule 133(1), The Standing Committee on Human Services shall hold an inquiry and make recommendations regarding the future of health care facilities throughout Saskatchewan, and that the committee shall:

- a) Obtain from the Department of Health a comprehensive list of all health care facilities scheduled for closure or conversion;
- b) Hold public meetings away from the seat of Government in order that the fullest representations may be received without unduly inconveniencing those desiring to be heard;
- c) Hold at least one public meeting in each community with a health care facility scheduled to be closed or converted;

- d) Have the authority to send for persons, papers and records and to examine witnesses under oath;
- e) Have the authority to receive representations from interested parties and individuals; and
- f) Have the authority to engage such advisors and assistants as are required for the purposes of the inquiry;

And, that this Assembly strongly urges the Government to place a moratorium on all health care facility closures and conversions until such time as this inquiry has been completed and a substantive report presented to the Assembly pursuant to Rule 133(4).
