## QUESTIONS AND ANSWERS

**Mr. Morgan asked the Government Question No. 980, which was answered by the Hon. Mr. Sonntag:**

To the Minister Responsible for Saskatchewan Government Insurance: How much money has SGI paid out to date in rebates to people who have renewed their license plates in 2005 to take advantage of the safe-driver discount?

Answer:

As at April 7, 2005, SGI had provided customers a total of \$18.7 million in discounts since January 1, 2005.

**Mr. Morgan asked the Government Question No. 981, which was answered by the Hon. Mr. Sonntag:**

To the Minister Responsible for Saskatchewan Government Insurance: How much money would SGI have paid out to date if every person who was eligible for a safe-driver discount would have applied by renewing their license plates prior to the regular expiration date?

Answer:

Customers are unable to renew license plates prior to the regular expiration date without incurring administrative costs. SGI and the rest of the insurance industry apply rate increases and decreases on vehicle renewal. The increase in discounts in 2005 was handled in the same way as increased discounts from 2002 to 2004.

**Ms. Draude asked the Government Question No. 982, which was answered by the Hon. Mr. Sonntag:**

To the Minister of Highways and Transportation: (1) How many kilometres of highways have been constructed under a “partnership agreement”? (2) Are the financial terms of these “partnership agreements” based on a similar percentage of costs for construction maintenance?

Answer:

- (1) In 2004-05, there were five jurisdictional transfers for a total of 35.24 km. In 2005-06, one jurisdictional transfer is planned for 3.9 km.
- (2) These financial obligations are based on current costs to upgrade or repair the road and average yearly maintenance costs.

**Ms. Draude asked the Government Question No. 983, which was answered by the Hon. Mr. Sonntag:**

To the Minister of Highways and Transportation: Has the Department determined if an additional amount allocated for fuel will be part of tenders let for highway construction this year?

Answer:

No.
