The Order of the Day being called for the following Motion for a Seventy-Five Minute Debate, it was moved by Mr. Prebble, seconded by Mr. Iwanchuk:

That this Assembly recognizes that parallel private health care would not alleviate pressure on Saskatchewan's current health care system, but would fundamentally undermine it, causing it to become less accessible, less efficient, and more expensive.

PRIVATE MEMBERS' MOTIONS

The Order of the Day being called for **Motion No. 1**, the Hon. Mr. Yates raised a point of order that quorum was not present and, pursuant to Rule 6(3), a count was taken. There being a quorum, it was moved by Mr. Huyghebaert, seconded by Mr. Toth:

That this government no longer enjoys the confidence of the Assembly because of its lack of vision and initiative and its failure to address the issues that are most important to Saskatchewan people, as demonstrated by ignoring the crisis in agriculture, the inability to set spending priorities consistent with the province's needs, the failure to grow the economy and create economic prosperity, by not delivering much-needed services leaving many people behind, by forcing others to move out of the province for health care, and by forcing people to pursue their careers and dreams elsewhere because they cannot find jobs in Saskatchewan.

A debate arising, it was on motion of Mr. Toth, adjourned.

The Deputy Speaker adjourned the Assembly without question put, pursuant to Rule 3(2).

The Assembly adjourned at 1:00 p.m. until Monday at 1:30 p.m.
