That the Assembly approves in general the budgetary policy of the Government.

and the proposed amendment thereto moved by Mr. Cheveldayoff, seconded by Ms. Harpauer:

That all the words after "That the Assembly" be deleted and the following be added:

"disagrees with the general budgetary policy of the government because the Premier and Cabinet have not fully implemented a growth agenda and Saskatchewan continues to fall further behind other provinces, losing population during an economic boom, and because this budget does nothing to help the average working family when the government has one billion dollars in extra revenue, and further, because there is no comprehensive plan or accountability for health care in the province when health care expenditures are almost half of the provincial budget, and this budget reflects an 80s style of record expenditures with a \$288.5 million increase in debt."

The debate continuing on the motion and the amendment, the Speaker interrupted proceedings and adjourned the Assembly without question put, pursuant to Rule 3(2).

The Assembly adjourned at 5:00 p.m. until Thursday at 10:00 a.m.
