The Order of the Day being called for the following Motion for a Seventy-five Minute Debate, it was moved by Ms. Heppner, seconded by Ms. Draude:

That this Assembly condemn the government for its mishandling of the Carriere scandal by ignoring complaints of harassment, by not allowing this Legislative Assembly to investigate the matter through a legislative committee, for not tabling its secret legal opinions, and for rewarding a man who was convicted of assault and fired for harassment with \$275,000 and a full government pension, while at the same time paying the harassment victims a paltry sum.

A debate arising, it was moved by Ms. Hamilton, seconded by Ms. Morin, in amendment thereto:

That the motion be amended by deleting all the words after “Assembly” and the following substituted therefor:

“call on the government, at an appropriate time, to propose amendments to Occupational Health and Safety legislation, and any other relevant legislation and/or policy, to ensure that working people in the province are protected from harassment so that situations like the Carriere case are never repeated.”
