SPEAKER TABLES REPORTS

The Speaker laid before the Assembly the Annual Report for Provincial Ombudsman Saskatchewan for the year ended December 31, 2008.

(Sessional Paper No. 186)

STATEMENT BY THE SPEAKER (Unparliamentary Language)

I am prepared to rule on the point of order that was raised by the Opposition House Leader yesterday. I have had an opportunity to review the exchange that occurred on Monday, April 20, 2009 during Question Period between the Minister of Advanced Education, Labour and Employment (Hon. Mr. Norris) and the Member from Saskatoon Massey Place (Mr. Broten). At the time, I was in the Chair so it is appropriate that I rule on the matter.

During the course of his comments the Minister of Advanced Education, Employment and Labour stated on page 2768 of Hansard "I'm happy to talk about the lack of integrity regarding those questions".

Parliamentary practice provides some guidance in determining whether unparliamentary language has been used. I refer all Honourable Members to a summary in Marleau and Montpetit's House of Commons Procedure and Practice, on page 525 as follows:

The proceedings of the House are based on a long-standing tradition of respect for the integrity of all Members. Thus, the use of offensive, provocative or threatening language in the House is strictly forbidden. Personal attacks, insults and obscene language or words are not in order.

Integrity has a number of dictionary meanings. The Canadian Oxford Dictionary defines the word integrity variously as “1. Moral uprightness, honest; 2. Wholeness, completeness; and, 3. Soundness, unimpaired or uncorrupted condition.” The question for the Speaker is whether the words of the Minister were meant as a reflection on the Member or were they meant to characterize the soundness of the questions. The tone, manner and intention of the Member must be considered.

In this regard I have two points to make. I find that the two day delay in bringing the grievance to the attention of the Speaker and the lack of disorder in the Chamber following the remarks must be considered in my decision. I took note of the comment at the time it was said and, although it caught my attention, I did not believe the comment was directed at the Member personally. Therefore I find the point of order not well taken. However, I do have a caution for the Minister.

Members passionately and forcefully present their positions, especially during Question Period. I do wish to caution Members, in this case the Minister of Advanced Education, Labour and Employment because his words are the subject of the point of order, to be mindful about their choice of language.

WRITTEN QUESTIONS

The Order of the Day being called for Question Nos. 345 to 353, they were answered. (See Appendix)

SEVENTY-FIVE MINUTE DEBATE

The Order of the Day being called for the following Motion for a Seventy-five Minute Debate, it was moved by Mr. Furber:

A debate arising and the period of seventy-five minutes having expired, pursuant to Rule 24(4) the Speaker interrupted proceedings.

PRIVATE MEMBERS' MOTION

The Order of the Day being called for **Motion No. 4**, it was moved by Mr. Duncan:

That this Assembly supports the actions of this government and recognizes that our government has done more to help low income people fight poverty in 16 months than the previous NDP government did in 16 years.

Hon. Don Toth
