et la modification proposée par Mme Sarauer :

That all the words after “that” be deleted and the following substituted:

This Assembly declines to give second reading to Bill No. 70, The Legislative Amendment Act, 2021 because it:

1. Fails to recognize the important role the Sergeant-at-Arms plays in defending democratic institutions;
2. Will result in security at the Legislative Building no longer being independent while eliminating a long-standing parliamentary custom;
3. Does not recognize the Speaker's constitutional duty to defend the privileges of the Legislative Assembly and its Members;

4. Will no longer allow for issues of security to be discussed at the bipartisan Board of Internal Economy; and

5. Effectively reduces the Sergeant-at-Arms to a ceremonial role and results in significantly less transparency regarding security issues that affect all members and all Saskatchewan people.
