### **STATEMENT BY THE SPEAKER Ruling on a Point of Order (Dispute Over Facts)**

Yesterday the Opposition House Leader (Ms. Sarauer) stood on a point of order in regard to comments the member for Yorkton (Mr. Ottenbreit) made during his member's statement, which she said were false. She also alleged he violated rule 51(e) which reads, "When a motion is under debate, no member shall use offensive, provocative or threatening language." The Government House Leader (Hon. Mr. Harrison (Meadow Lake)) argued that the Opposition House Leader's statement was a matter for debate rather than a point of order.

I did not find the member's language to be offensive, provocative or threatening. Many Speakers, including myself, have ruled that disputes over facts are matters for debate. For this reason, I find the point of order not well taken.

Before I conclude, I want to remind members of your code of ethical conduct that states, "To our colleagues in this Assembly, we owe loyalty to shared principles, respect of differences and fairness in political dealings." I ask that you heed these principles.

### PRESENTING PETITIONS

Petitions of citizens of the province of Saskatchewan were presented and laid upon the Table by the following members: Mowat, Love, Young (Regina University), and Sarauer.

### READING AND RECEIVING PETITIONS

According to order and pursuant to rule 16(7), petitions from residents of the province of Saskatchewan, requesting the following action, were read and received:
