[The committee met at 08:30.]

The Chair: — Welcome everybody to this meeting of the Crown and Central Agencies Committee. This morning we are considering the final considerations on the report on Saskatchewan's energy future. Today we have Mr. Weekes. We have Ms. Wilson substituting for Mr. D'Autremont. We have Mr. Allchurch and Mr. Bradshaw. We have Mr. McCall substituting for Mr. Wotherspoon and Mr. Taylor substituting for Mr. Belanger.

I believe the discussions this morning, we were going to go in camera if somebody would make that motion. Mr. Bradshaw. All agreed?

Some Hon. Members: — Agreed.

The Chair: — It is agreed. This committee will go in camera to discuss this report.

[The committee continued in camera.]

The Chair: — The committee has come out of camera. We've had a good and fruitful discussion and think that the process is moving forward. And the committee has decided they will meet again to hopefully have the final meeting that will finalize the report.

Before that there is a little more work to be done and I would ask one of the members to move a motion of adjournment. The member from Carrot River Valley, Mr. Bradshaw, has moved. Is it the agreement of the committee?

Some Hon. Members: — Agreed.

The Chair: — Agreed. This committee now stands adjourned. Thank you.

[The committee adjourned at 09:15.]
