1. You had talked about the board receiving out-of-scope appeals, and I'm wondering for . . . I'm assuming that's for dismissal, suspension, demotion, layoff. I'm wondering for, like, how many of each of those appeals were heard, say, in the last five years and what were the outcomes of those appeals?

Information on the Appeals (last 5 years)

Total Appeals brought forward to the Commissioners within the last five years was 30.
