### **THIRD REPORT**

Ms. Lorje, Chair of the Standing Committee on Crown Corporations, presents the Committee's third report of the twenty-third Legislature which is as follows:

Your Committee, in examining the matter of the acquisition, management and sale of Channel Lakes Petroleum Co. by SaskPower is pursuing a line of inquiry in which it has deemed it necessary and advisable to have the services of an expert advisor and legal counsel.

Your Committee recommends, therefore, that the Assembly authorize and empower the Committee to engage the services of counsel and that it be deemed to have had such power and authority as and from March 30, 1998.

And further, your Committee recommends that the Assembly authorize the television broadcast and distribution of the proceedings of the Standing Committee on Crown Corporations on the Legislative Broadcast system during its hearings on the above inquiry at the direction of the Committee.

Respectfully submitted,

Pat Lorje,
