Dear Ms. Ross:

I wish to table the below response to questions posed to the Minister responsible for seniors during the Human Services meeting on April 10, 2024.

How much money did Brightwater receive in '23-24? Is there any change to the number of beds and the type of service provided?

- *In 2023-24, the SHA provided Brightwater with \$10.12 million to provide 100 long-term beds and \$1.5 million for 12 ALC beds through the publicly funded health care system.*
- *There has been no change to the number of beds, or the type of service provided.*

Sincerely,

Tim McLeod
Minister of Mental Health and Addictions, Seniors,
and Rural and Remote Health
