[The committee met at 09:30.]

The Chair: — Good morning, everyone. We are meeting today to consider the report of the committee, and the report is the first report of this committee in the life of this legislature. The report has been distributed, and I think there have been some amendments that were proposed and that have been circulated. And I wonder if there are any questions or concerns with respect to the report?

Mr. Michelson: — . . . any questions on it.

The Chair: — Okay if not, then can I have a motion to adopt the report so that we can then bring it forward to the Legislative Assembly.

Mr. Michelson: — I will so move, Mr. Chair.

The Chair: — Moved by Mr. Michelson. Is that agreed?

Some Hon. Members: — Agreed.

The Chair: — Agreed.

Mr. Chisholm: — Going through the report, I just noticed that we concurred many, many times. And so perhaps in this motion, we could use the word concur with . . .

The Chair: — I think that's what we heard — right? — that we concur and report. Okay.

The other issue that we were to discuss or could discuss is attendance at the Canadian Council of Public Accounts Committees conference in Edmonton. But in discussions, it's been suggested we may want to deal with that at a later date.

Mr. Michelson: — We may want to table this for a later date, maybe toward the end of session or something.

The Chair: — Okay.

Mr. Michelson: — I think in the light of discussions, there's some consideration that may be required and we'll take it back to our caucus.

The Chair: — Is that agreed, that we table it until a later date?

Some Hon. Members: — Agreed.

The Chair: — Okay. That's all the business that we have today, so therefore I would entertain a motion from Mr. Bradshaw that we adjourn.

Mr. Bradshaw: — I move that we adjourn.

The Chair: — And that's agreed?

Some Hon. Members: — Agreed.

The Chair: — And that is agreed.

[The committee adjourned at 09:35.]
