

STANDING COMMITTEE ON PUBLIC ACCOUNTS
November 3, 1987

Mr. Chairman: — I'll call it to order. I guess we needed to have a quorum to put the O.K. on the report. It was previously distributed as we amended it at the last meeting. The people I have spoken to were satisfied with it, and if we can all agree, we will then submit this as our report to the Assembly. I hope I can do it today.

Mr. Muller: — Fair enough.

Mr. Chairman: — Is that agreed?

Mr. Muller: — Do you need someone to make the motion?

Ms. Ronyk: — Yes.

Mr. Muller: — I'll move the motion.

Mr. Chairman: — Moved by Mr. Muller, seconded by Mr. Van Mulligen, and unanimously agreed to.

Ms. Ronyk: — So we'll report today — this morning at 10.

Mr. Chairman: — Is that . . . You're the custodian of the rules, so tell us.

Ms. Ronyk: — That's when it would be . . . Normally, yes.

Mr. Martens: — Do you have to second this motion?

Mr. Muller: — I moved it, and he seconded it.

Mr. Martens: — No, no, in the House.

Mr. Chairman: — The vice-chairman normally seconds it?

A Member: — Yes.

Mr. Muller: — Well, you move it.

Mr. Chairman: — I'll move it, and I'll mention you as the seconder.

Mr. Muller: — Okay, fair enough.

Mr. Chairman: — Thank you. Well that was the best meeting we had all year.

The committee adjourned at 9:10 a.m.
