II. REVIEW OF THE BUSINESS AND FINANCIAL PLAN OF THE OFFICE OF THE PROVINCIAL AUDITOR

As part of its terms of reference, the Standing Committee on Public Accounts is responsible for reviewing and approving the business and financial plan of the Office of the Provincial Auditor. This review did not take place for the 2004-2005 Estimates as your committee had not yet been struck by the Assembly following the 2003 general election. Under these circumstances, section 10.1 of *The Provincial Auditor Act* directs the Speaker to cause the estimates of the Provincial Auditor for the previous fiscal year to be laid before the Assembly.

Your committee began its review of the 2005-2006 Estimates by receiving an overview of the business and financial plan by the Provincial Auditor, and then considered and adopted two resolutions, which were as follows:

RESOLUTION #1

That the 2005-2006 Estimates of the Office of the Provincial Auditor (Vote 28, subvote PA01 – Provincial Auditor) be approved, as submitted, in the amount of \$5,446,000.

That the 2005-2006 Estimates of the Office of the Provincial Auditor (Vote 28, subvote PA02 – Unforeseen Expenses) be approved, as submitted, in the amount of \$356,000.

Your committee wishes to thank the Provincial Auditor and his staff for the preparation of their business and financial plan and their willingness to answer the questions posed by members of the committee.
